Women's Equality Day

The 92nd U.S. Congress designated August 26 as Women's Equality Day. The date was selected to commemorate the 1920 certification of the 19th Amendment to the Constitution, granting women the right to vote. This was the culmination of a massive, peaceful civil rights movement by women that had its formal beginnings in 1848 at the world's first women's rights convention, in Seneca Falls, New York.
